**THIS IS A PROCEEDING** to consider Wisconsin Public Service Corporation's (WPSC) March 31, 2000, application requesting rate relief for electric and natural gas service in such amounts as will permit WPSC to earn a just and reasonable return on common equity, to meet the costs of operation, and to provide WPSC the ability to attract the necessary capital to meet the requirements of customers in its service area, and to consider its request that the Public Service Commission of Wisconsin (Commission) grant such other relief as may seem just, reasonable, and proper.

On March 31, 2000, WPSC filed an application with the Commission pursuant to Wis. Stat. §§ 196.03, 196.20, and 196.37, for authority to increase rates for electric and natural gas services. This application contained WPSC's financial and jurisdictional cost information.
